RE: Application for Python Developer Position

Dear Sir/Madam

I am writing to express my interest in the Casual Retail Sales Assistant position at your company. I am currently pursuing a degree in Computer Science and have developed strong skills in Python programming and the Django framework.

As a motivated and hardworking student, I bring excellent communication skills, a passion for learning, and the ability to work well in a team. I am eager to contribute positively to your team while gaining valuable professional experience.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your organization. I am available at your convenience for an interview and can be reached at chitowamombeeliot00@gmail.com or 263779933702

Yours faithfully

Eliot Chitowamombe

Objective

I am a Computer Science student with a strong passion for Python development. I have a solid foundation in Python and am eager to apply and expand my knowledge in a professional setting. I'm looking for a role that supports continuous learning, encourages innovation, and helps me grow into a skilled and impactful Python developer.
